

Dear co-workers and family in Christ,

Peace be with you all. We thank the Lord for leading us into the year 2024, embarking on a new journey and walking alongside Him in our work.

1. Field Updates:

The families we serve are overall doing well, faithfully serving the local people. They took advantage of the Christmas and New Year's opportunities to visit seekers, build closer relationships, and actively engage in evangelistic activities. The team in Nepal is working with local churches in disaster relief efforts, while the team in Japan immediately contacted local churches after the earthquake and actively participated in distributing aid. We pray that wherever there is a need, our missionaries are there.

2. GIU Co-workers:

We sincerely thank the GIU co-worker team who, though volunteers, are wholeheartedly dedicated. They care for missionary families like parents, tirelessly adjusting their schedules to accommodate the needs of those in the field, participating in online courses and meetings, and sacrificing sleep. A special thanks to our finance team, who worked tirelessly over the past two months managing finances, budgeting, and issuing year-end donation receipts. Every Monday night, co-workers gather for prayer, listening to missionaries' testimonies with a parental mindset, and fervently interceding for them. The teamwork of GIU co-workers witnesses the beauty of unity in the body.

3. Plans for 2024:

The new year has begun, and we have set a budget of \$310,000 for missionary children's education, medical insurance, care, and training. We will hold business as mission and provide worker training, visit fields, mobilize churches, and other activities to prepare for the great harvest of 2024.

4. Let's Work Together:

No one can fulfill the Great Commission alone. We look forward to working together with you. You can participate in short-term service such as missionary care, field visits, summer camps, medical clinics, and training. We are also recruiting finance workers, church mobilizers, video editors, literature editors, and other administrative volunteers, welcome to join us. You can also support the expansion of God's kingdom through financial contributions.

As the Chinese New Year is approaching, we wish you all the blessings of God in 2024! In the Lord, let us be united in heart and strive together for the kingdom of God!

GIU Co-worker Team
